A bold challenge to entrenched notions, A Hard Fight for We places African American women at the center of the South's transition from a slave society. "A pleasure to read! Brimming with insight, prickly about assumptions too easily arrived at in earlier literature, briskly and pointedly written. Schwalm's book is a valuable intervention in the critical debate over the transition from slavery to freedom in the American South."--Stephanie McCurry, author of Masters of Small Worlds: Yeoman ...

Though we live with daily struggles and temptations all around us, many times there are spiritual attacks on our lives that put us at greater risk to go astray. It is a battle, a ruthless one, and the enemy will fight hard against us. He desires not only to bring us down, but also all those around us.

The fight-or-flight response, also known as the acute stress response, refers to a physiological reaction that occurs in the presence of something that is terrifying, either mentally or physically. The response is triggered by the release of hormones that prepare your body to either stay and deal with a threat or to run away to safety. 1
