The New York Times bestseller Adapted into a major motion picture distributed through Lionsgate From the Queen of Erotica, Addicted tells the provocative story of one married woman ' s struggle to deal with the fall-out of her forbidden desires. The world of Addicted is continued in the New York Times bestseller Nervous, and Zane ' s highly-anticipated upcoming novel Vengeance, available May 24, 2016. wonderful children. But Zoe feels helpless in the grip of an overpowering addiction...to sex. After finding a compassionate therapist to help her, Zoe finally summons the courage to tell her torrid story, a tale of guilt and desire as shocking as it is compelling. From the sensitive artist with whom she spends stolen hours on rumpled sheets, to the rough and violent man who leads her toward destruction, Zoe is desperately searching for fulfillment—and, perhaps, something darker and deeper. As her life spins out of control and her sexual escapades carry her toward a dangerous fate, Zoe races to uncover the source of her “fatal attraction.” Chilling secrets tumble forth and perilous temptations build toward a climax that could threaten her sanity, her marriage...and her life.

From the Queen of Erotica, Zane 's Addicted with a Twist is the sequel to Addicted, her wildly popular novel about a married woman whose life spirals out of control when her three affairs lead her down a dark and twisted path, now a major motion picture distributed by Lionsgate. Three years after the end of Addicted, Zoe and Jason Reynard are still married and raising their family together. But Zoe has a new “dirty little secret” that leaves her torn between being honest with her therapist, Dr. Marcella Spencer, and her mother—or continuing her forbidden hotel rendezvous with a man who calls himself “Orpheus.” Has Zoe truly overcome her sexual addiction through the strength of her love for her husband and continued therapy? Or is she still jeopardizing everything and everyone she holds dear in order to satisfy her fantasies?

Sometimes romantic, sometimes raw, New York Times bestselling author Zane presents three novels of intoxicating sensuality. The Sex Chronicles With a unique ability to tell it like it is—and also to tell it like it could be in your wildest dreams—Zane crafts stories about everyone from the sensual housewife who wants her husband to experiment more to a secret underground sorority of women that organizes some rather unconventional social events. By turns tender and outrageous, The Sex Chronicles is a pleasure from beginning to end. Nervous Jonquinette has always been nervous around men, but on the weekends her alter ego, Jude, goes on intense sexual escapades. When Jonquinette seeks the help of Dr. Marcella Spencer, the psychiatrist Zane originated in her bestselling novel Addicted, Jude's response is to go on a sexual rampage. In the meantime, Jonquinette becomes interested in her new neighbor, Mason, but Jude has no intention of letting Jonquinette fall in love—not when Jude's having so much fun. Based on a short story of the same title from her bestselling collection The Sex Chronicles, Nervous is classic Zane with an edge. So, relax, sit back. You're in for a nerve-tingling read.
