Use the Bar Training Manuals to provide clear directions to your staff on exactly what is expected in their position and the exact policies, procedures, and methods needed to be successful. The Bar Training Manuals will save you countless number of hours and frustration researching and scouring the internet trying to put together your own manual.

Training Manual for Behavior Technicians Working with Individuals with Autism is a practical manual and ongoing professional resource for frontline staff undergoing training to become Registered Behavior Technicians™ (RBT). RBT™ is the recommended certification of the Behavior Analyst Certification Board™ (BACB) for entry-level staff who implement behavior analytic services. This Manual complements the 40-hour training for RBTs™ and helps those who have completed training prepare for their certification exam. Following the RBT™ Task List set forth by the BACB, it prompts the reader to generate novel examples of mastered concepts, and real-life vignettes. Training Manual for Behavior Technicians Working with Individuals with Autism also:

- Details the fundamentals of measurement and data collection
- Introduces assessments of both behavior and environment
- Explains skills acquisition and related teaching procedures
- Covers behavior reduction plans
- Includes documentation and planning information
- Looks at ethics and professional conduct

The Essential Bartending Crash Course Do you know how to set up a full bar for that party you're having? How much vermouth to use when your first guest requests a "dry martini on the rocks?" How to measure out a shot of alcohol using the three-count method? You'll find the answers to all of these questions and much more in this indispensable guide. Rather than teaching you recipes for drinks you've never heard of and will never have to make, the authors focus on the fundamentals of bartending--using the tools, learning the terminology and drink mnemonics, and setting up for a cocktail party. This book will transform the most ignorant imbiber into a sauce-slinger extraordinaire, ready to go out and bartend recreationally or professionally. This guide includes: -Basic bar setups, tools, and helpful techniques -Hundreds of recipes for the most popular drinks and punches, from chocolate martinis to salty dogs -New chapters featuring everything a bartender needs to know about beer and wine -A new and improved guide to throwing a fabulous cocktail party -Hints on finding a bartending job -Diagrams, illustrations, and many useful tips throughout.
