Teach with optimum impact to foster deeper expressions of literacy Whether through direct instruction, guided instruction, peer-led and independent learning—every student deserves a great teacher, not by chance, but by design. In this companion to Visible Learning for Literacy, Fisher, Frey, and Hattie show you how to use learning intentions, success criteria, formative assessment and feedback to achieve profound instructional clarity. Chapter by chapter, this acclaimed author team helps put a range of learning strategies into practice, depending upon whether your K-5 students are ready for surface, deep, or transfer levels of understanding.

This valuable, research-based guide gives middle and secondary English teachers the tools they need to improve the comprehension skills of all their students. Core chapters explain specific practices for fostering learning from texts; leading students to a thorough, lasting understanding of subject matter; nurturing meaningful responses to literature; explicitly teaching comprehension strategies; and engaging students in higher-order thinking. An additional chapter highlights vocabulary instruction. Throughout, attention is given to building comprehension skills in a diverse range of students, from high achievers to struggling readers and English language learners. A wealth of hands-on materials are featured, including lesson plans, scaffolded reading experiences, and a richly detailed example of a teaching unit that shows how all facets of comprehension instruction can be brought together in the classroom.
