At one prestigious American public school, the boys like to emphasise their democratic ideals -the only acknowledged snobbery is literary snobbery. Once a term, a big name from the literary world visits and a contest takes place. The boys have to submit a piece of writing and the winner receives a private audience with the visitor. But then it is announced that Hemingway, the boys' hero, is coming to the school. The competition intensifies, and the morals the school and the boys pride themselves on - honour, loyalty and friendship - are crumbling under the strain. Only time will tell who will win and what it will cost them.

Soon to be a major motion picture, starring Helen Mirren and Gillian Anderson! Inspired by her blockbuster phenomenon Wonder, R. J. Palacio makes her graphic novel debut with an unforgettable, Sydney Taylor Book Award-winning story of the power of kindness and unrelenting courage in a time of war. "I was captivated by White Bird. It tells the hardest truths with honesty and calm (so that young readers can hear them). R.J. Palacio brings to life the nature of heroism and the real risks we face today." --Meg Medina, Newbery award-winning author of Mercy Suarez Changes Gears In R. J. Palacio's bestselling collection of stories Auggie & Me, which expands on characters in Wonder, readers were introduced to Julian's grandmother, Grandmère. Here, Palacio makes her graphic novel debut with Grandmère's heartrending story: how she, a young Jewish girl, was hidden by a family in a Nazi-occupied French village during World War II; how the boy she and her classmates once shunned became her savior and best friend. Sara's harrowing experience movingly demonstrates the power of kindness to change hearts, build bridges, and even save lives. As Grandmère tells Julian, "It always takes courage to be kind, but in those days, such kindness could cost you everything." With poignant symbolism and gorgeous artwork that brings Sara's story out of the past and cements it firmly in this moment in history, White Bird is sure to captivate anyone who was moved by the book Wonder or the blockbuster movie adaptation and its message. Praise for Wonder: #1 New York Times bestseller USA Today bestseller Time Magazine's 100 Best Young Adult Books of All Time "In a wonder of a debut, Palacio has written a crackling page-turner filled with characters you can't help but root for." --Entertainment Weekly "Rich and memorable." --The New York Times "A beautiful, funny and sometimes sob-making story of quiet transformation." --The Wall Street Journal

One day, a terrible thunderstorm knocked down the giant mesquite tree that grew in the town square. After the storm, the townspeople gathered to gawk at the large obstruction blocking the street. They weren't sure what to do with it, but they all agreed that the wood was good for nothing except a fire. But the woodcutter Tomas sees something in the huge tree that the rest of the townsfolk don't. "The beauty of this tree is not on the outside but on the inside." Tomas tells them. In the following days, everyone watches curiously as the woodcutter carves and chips and whittles the wood into blocks. At one point, he moves the chunks into his shed, increasing everyone's curiosity. What could the woodcutter be doing with all that lumber? Finally, Tomas calls the townsfolk together to see his creations: a wonderful collection of life-sized animals for the children to enjoy. Children and adults alike are thrilled with their private zoo! But a few weeks later the woodcutter is visited by strangers from a folk art museum who want to buy the pieces for their collection. Will Tomas sell the town's new zoo animals so that others can enjoy them too?

Practising Buddhist and master storyteller Dharmachari Nagaraja weaves a thrilling narrative spell while at the same time conveying basic life lessons that will help children to develop their personality, deal with their anxieties, and find peace and confidence as they grow up. The stories explore themes from the Eightfold Path, which is Buddhism's practical route to a happy life. Topics covered, with the lightest of touches, include speaking in a kind and truthful manner, behaving with compassion, thinking selflessly and avoiding the pitfalls of egotism. Although providing gentle guidance on the art of living well, which is the basis of true happiness, each story is also compelling in its own right, featuring characters, settings and events that every child will find absorbing. Each narrative concludes with an affirmation that helps to draw out its positive message, while the superb, specially commissioned illustrations will delight your child and provide a starting-point for discussion and further enjoyment. The helpful introduction provides insights into the value of Buddhist principles for children and shows how visualisation, imaginative thinking and even first steps in meditation can help to nurture young minds and hearts.
