## Research Proposal Provisional Title Social Media And The

The initial aim of a title is to capture the reader ' s attention and to highlight the research problem under investigation.

Create a Working Title Typically, the final title you submit to your professor is created after the research is complete so that the title accurately captures what has been done. The working title should be developed early in the research process because it can help anchor the focus of the study in much the same way the research problem does.

The starting point for your research

# Access Free Research Proposal Provisional Title

proposal is a clear, descriptive title. This title should give the first-time reader a big-picture idea of what the research will be about, in a line or two. Generally, a good research title provides insight into (at least) X things: What ' s being researched (i.e. the variables involved)

---

## Before You Start:

Your research proposal is an important part of the application process. It summarises the question you want to answer through your research. It demonstrates your knowledge of the subject area and shows the methods you want to use to complete your research. We use research proposals to match you with your supervisor or supervisor team.
