Kurt Krueger, a professional photographer with over 45 years of experience and founder and publisher of "Brazen Images" adult greeting cards teamed up with model Amy who served as his nude muse for 10 days and nights of explicitly erotic explorations of each other's wildest fantasies. Ranging from the soft and sensual PG rated fine art nude to the blatantly X rated pornographic image and everything in between, the goal was to incorporate as many varied photographic styles and techniques as possible to bring out every aspect of Amy's sexuality. Filled with humor as well as decadence, this book is a treasure trove of creativity by two people who simply threw caution to the wind to create an erotic work of art. Includes an introduction and an interview with Amy. An erotic masterpiece!

Nothing's more exciting than knowing you're being watched... While scrolling through the classified listings of her city's underground newspaper, Jade comes across an interesting ad. A local theater catering to the LGBT crowd is hosting a ladies-only casting call every Friday night where performers are encouraged to disrobe and perform an erotic dance in front of a crowd of strangers. Intrigued, Jade buys a ticket to this week's performance and is shocked what she discovers when she arrives at the theater. Instead of a typical strip-club setup, the stage is decorated with a single Victorian bed highlighted under a bright spotlight. When the first performer walks shyly onto the stage, at first she pulls the sheets high up over her chest while she pretends to touch herself. But as the crowd continues to encourage her, she becomes increasingly brazen until she's writhing on the bed completely naked in the throes of ecstasy. Excited to try it for herself, Jade decides to audition at the following week's show. While waiting in the wings for her turn to perform, she meets a sexy brunette who shares some performance tips and ideas. As Jade gets increasingly aroused beginning to perform for the audience, her new friend decides to join her on stage where they give the crowd the most erotic show of their lives...

Twenty three year old Tagg Hill, corporate investigator and consummate panty dropper, with his new fuckbuddy and assistant, Dianne Norville, spent one last, hot night in Houston before leaving for New Orleans. Now they are approaching the Big Easy that is home town to each of them. However, neither of them has a clue just how far their sex lives, both individually and together, are about to ramp up. Coming into New Orleans, only to visit friends and family, they inadvertently end up in the midst of a group of exotic dancers, and some of Dianne's past seems to plug right in. Meanwhile, always the ladies man, Tagg finds new conquests, sexual and otherwise. As in any T.S. Hill novel, things are about to get hot! And, then, even hotter, and still hotter! As usual, Tagg out performs everyone's expectations, both on the job and in the bedroom. Turn down the air-conditioning, and grab a cool drink. As the story line twists and turns, the bedroom is about to get steamy!

Sometimes the best adventures are shared with strangers... When Jade notices a young hitchhiker at the side of the highway, she stops to see where she's headed. She's going all the way to California, but since it's on the way to Jade's business meeting, she decides to pick her up. As they begin to share some of their mutual interests and experiences, Jade realizes they have a lot more in common than she thought. Before long, they're wailing out country songs together on the radio and having the time of their lives. When Jade needs to turn off the highway for her meeting, she invites the girl to have dinner with her and share her hotel room for the night. The two women are attracted to one another, but Jade is reluctant to take advantage of the much younger girl. But when they head back out on the highway the following day, Brooke discovers an unusual item in Jade's glove box. As the sexual tension quickly ramps up between the two travelers, Jade and Brooke soon fall into each other's arms, not knowing when their journey will end...

Set in the 18th century, a young woman with a passion for living leaves her life as a maidservant behind after getting involved with her master and heads for London to indulge in all the extravagance and excess that comes her way. Original.

How much trouble can six strangers get into sleeping in a small dorm room? When Jade decides to stay at a hostel on her tour of Europe, she's shocked to discover how small the sleeping quarters are. When she heads up to the communal terrace at her first stop in Rome, she meets five beautiful strangers from all around the world. As the travelers begin to share their experiences and get to know one another, Jade finds herself attracted to a pretty brunette from Brazil. Later that night, in the darkness of their shared dorm room, the two women pleasure themselves in their separate beds while they listen to each other separated only inches apart. As the sexual tension within the group begins to ramp up and it becomes obvious they're sharing beds at night, they decide to make a game of it. Each day, after they've finished exploring the city together, they draw lots not knowing who they'll be paired up with. With two boys and four girls, the combinations become increasingly daring, until they decide to come together for one last group fling on their final night together...
