Happy Birthday to you, Dr Seuss Dr Seuss seated at desk covered with his books, World Telegram & Sun photo by Al Ravenna, 1957. Dr. Seuss would be 112 today, and certainly the non-conforming characters in his books never felt like acting their age, or following conventional wisdom, instead they offered sage advice for breaking out of the box, and being yourself, without limits.

Three Latin American writers quote, dissect and review this character in a cultural critique that combines analysis with humor and a relentless self-criticism.

A nuanced, multifaceted view of Gabriel García Márquez is offered in this collection of interviews that starts with the years of his early phenomenal success and continues through his most recent turn-of-the-century exchanges. Simultaneous.

No Marketing Blurb

Detailing the sexual education and adventures of the author, Infante's Inferno is a book about growing up in pre-revolutionary Havana. Viewing every girl as a potential lover, and the movies as a place both for entertainment and potential sexual escapades, Cabrera Infante captures the adolescent male mind-set with a great deal of self-conscious fun. With his hallmark of puns and wordplay - translated by Suzanne Jill Levine and the author - Cabrera Infante has written a hilarious version of the Don Juan myth set in the tropics.

A comprehensive annotated bibliography of books, articles, and audio-visual materials on the career and works of Gabriel García Marquez.

In this exhaustive and enlightening biography-nearly two decades in the making-Gerald Martin dexterously traces the life and times of one of the twentieth century's greatest literary titans, Nobel Prize-winner Gabriel García Márquez. Martin chronicles the particulars of an extraordinary life, from his upbringing in backwater Colombia and early journalism career, to the publication of One Hundred Years of Solitude at age forty, and the wealth and fame that followed. Based on interviews with more than three hundred of Garcia Marquez's closest friends, family members, fellow authors, and detractors-as well as the many hours Martin spent with 'Gabo' himself-the result is a revelation of both the writer and the man. It is as gripping as any of Gabriel García Márquez's powerful journalism, as enthralling as any of his acclaimed and beloved fiction.

An intimate and lively collection of interviews with a giant of twentieth century literature-the only collection of interviews with Marquez available Hailed by the New York Times as a "conjurer of literary magic," Nobel Prize-winning author Gabriel Garcia Marquez is known to millions of readers worldwide as the author of One Hundred Years of Solitude. Beloved by readers of nearly all ages, he is surely the most popular literary novelist in translation-and he remains so today, a decade after the publication of his final novel. In addition to the first-ever English translation of Marquez's last interview, this unprecedented volume includes his first interview, conducted while he was in the throes of writing One Hundred Years of Solitude, which reveals the young writer years before the extraordinary onslaught of success that would make him a household name around the world. Also featured is a series of unusually wide-ranging conversations with Marquez's friend Plinio Apuleyo Mendoza-surely the only interview with Marquez that includes the writer's insights into both the meaning of true love and the validity of superstitions. Gabriel Garcia Marquez: The Last Interview also contains two interviews with Pulitzer Prize-winning New York Times reporter David Streitfeld. A wide-ranging and revealing book, Gabriel Garcia Marquez: The Last Interview is an essential book for lifelong fans of Marquez-and readers who are just getting encountering the master's work for the first time.

One of the 20th century's enduring works, One Hundred Years of Solitude is a widely beloved and acclaimed novel known throughout the world, and the ultimate achievement in a Nobel Prize-winning career. The novel tells the story of the rise and fall of the mythical town of Macondo through the history of the Buendía family. It is a rich and brilliant chronicle of life and death, and the tragicomedy of humankind. In the noble, ridiculous, beautiful, and tawdry story of the Buendía family, one sees all of humanity, just as in the history, myths, growth, and decay of Macondo, one sees all of Latin America. Love and lust, war and revolution, riches and poverty, youth and senility -- the variety of life, the endlessness of death, the search for peace and truth -- these universal themes dominate the novel. Whether he is describing an affair of passion or the voracity of capitalism and the corruption of government, Gabriel García Márquez always writes with the simplicity, ease, and purity that are the mark of a master. Alternately reverential and comical, One Hundred Years of Solitude weaves the political, personal, and spiritual to bring a new consciousness to storytelling. Translated into dozens of languages, this stunning work is no less than an accounting of the history of the human race.
