~~The Girl I Used To~~

The Girl I Used to Be. Fourteen years ago, a three-year-old girl was the only survivor at a horrific murder scene. Now she's determined to search for the truth—and the killer is even more determined to stop her. When Olivia's mother was murdered and her father disappeared, everyone suspected her father had done it.

~~The Girl I Used to Be by April Henry - Goodreads~~

The Girl I Used to Be by Mary Torjussen is a psychological thriller that is mostly told from Gemma's point of view in the present but it does switch the point of view and include flashes back to past events in a few places. The story is one that is super easy to follow and everything flows along nicely though.

~~The Girl I Used to Be by Mary Torjussen - Goodreads~~

THE GIRL I USED TO BE is an intense thriller that seeks truth and vengeance for the slaughter of a couple in the winter woods. Gritty, real, small town,

Winner of the Anthony Award for Best Young Adult Mystery Novel When Olivia's mother was killed, everyone suspected her father of murder. But his whereabouts remained a mystery. Fast forward fourteen years. New evidence now proves Olivia's father was actually murdered on the same fateful day her mother died. That means there's a killer still at large. It's up to Olivia to uncover who that may be. But can she do that before the killer tracks her down first? This title has Common Core connections.

The acclaimed author of *Gone Without a Trace* delivers another twisting novel of psychological suspense in which a woman is backed against a wall--with nothing left to lose... The morning after real estate agent Gemma Brogan has dinner with a prospective client, she's furious at herself for drinking so much. But there will be more to regret than a nasty hangover. She starts receiving mementos from that night: A photo of a hallway kiss. A video of her complaining about her husband. And worse...much worse. The problem is she doesn't remember any of it. As the blackmailing and menace ramp up, Gemma fears for her already shaky marriage. The paranoia, the feeling that her life is spiraling out of control, will take her back to another night--years ago--that changed everything. And Gemma will realize just how far the shadows from her past can reach...

In her years of acting the perfect wife to Marc, Jill had built walls around herself so high that nobody could reach her. Now she had no money, nowhere to live and a future as uncertain as it had been the day Marc first asked her—the shy, trusting new assistant—to lunch. Jill hadn't known then what sort of man he really was... When Jill Goodman's picture-perfect marriage implodes, she's heartbroken. Still reeling from the shock, the only thing she receives in the hasty divorce settlement is the deed to her husband's sprawling beach house on the New Jersey shore. Overpriced and ugly, with a dark history and a crippling mortgage far outside her means to pay—the house is a symbol of everything Jill's lost. She hates the sight of it, but knows she must face it if she's to move on. With no other choice, Jill travels to Dewberry Beach intending to sell the house quickly—but the task is not as easy as she expects. Still, she can't help but be charmed by the little town's leafy streets, sweetly old-fashioned ways and even the unexpected attentions of a handsome local with dark eyes and a teasing smile. For the first time, she can see a path back to the girl she was before she met her husband... Then Jill dives deeper into the house's

dark past and Marc's part in it, and she stumbles across a terrible secret that changes everything. Torn between the right choice and the easy one, Jill realizes the key lies with her ex-husband. But he would do anything to keep the truth from coming to light... An emotionally gripping read that will keep you turning the pages late into the night, perfect for fans of Amanda Prowse, Elin Hilderbrand and Diane Chamberlain. What readers are saying about Heidi Hostetter: 'I loved this book so much. It was so emotional and heart-warming at the same time. Shows how things can be forgiven even after decades.' Goodreads reviewer, 5 stars 'This is a gorgeous read... I devoured this book in just one sitting and this book has completely lifted my spirits. I adored this book and although this is my first read by this author, it definitely will not be the last.' Goodreads reviewer, 5 stars 'Beautiful. This is a story of hope and faith. Reading this story made me feel good and the ending left me smiling! I can't wait to read more of these wonderful, entertaining and heart-tugging tales! Loved it!' Goodreads reviewer, 5 stars 'Heidi isn't simply a writer, she's an artist... Her descriptions resonate with all your senses... Heidi creates people you care about.' NetGalley reviewer, 5 stars 'I loved the characters and the story. The story unfolds with ease and a few surprises thrown in. I can't wait to read more by this author.' Goodreads reviewer, 5 stars 'I cannot say enough good things about this book. Each character draws you in to their world.' Goodreads reviewer, 5 stars 'Wonderful book! I could not put the book down. Love the story of family and finding that way back to one another.' NetGalley reviewer, 5 stars 'Loved this one. Really pulled you in and made you feel like you were going through what the character was. Such a heart-warming book.' Goodreads reviewer, 5 stars 'A delight to read. It felt like an escape... A story of forgiveness and finding yourself.' Goodreads reviewer

New York Times bestselling author of *On the Island*, Tracey Garvis Graves, presents the compelling, hopelessly romantic novel of unconditional love. Annika Rose is an English major at the University of Illinois. Anxious in social situations where she finds most people's behavior confusing, she'd rather be surrounded by the order and discipline of books or the quiet solitude of playing chess. Jonathan Hoffman joined the chess club and lost his first game—and his heart—to the shy and awkward, yet brilliant and beautiful Annika. He admires her ability to be true to herself, quirks and all, and accepts the challenges involved in pursuing a relationship with her. Jonathan and Annika bring out the best in each other, finding the confidence and courage within themselves to plan a future together. What follows is a tumultuous yet tender love affair that withstands everything except the unforeseen tragedy that forces them apart, shattering their connection and leaving them to navigate their lives alone. Now, a decade later, fate reunites Annika and Jonathan in Chicago. She's living the life she wanted as a librarian. He's a Wall Street whiz, recovering from a divorce and seeking a fresh start. The attraction and strong feelings they once shared are instantly rekindled, but until they confront the fears and anxieties that drove them apart, their second chance will end before it truly begins.

When Melody Grace McCartney was six years old, she and her parents witnessed an act of violence so brutal that it changed their lives forever. The federal government lured them into the Witness Protection Program with the promise of safety, and they went gratefully. But the program took Melody's name, her home, her innocence, and, ultimately, her family. She's been May Adams, Karen Smith, Anne Johnson, and countless others--everyone but the one person she longs to be: herself. So when the feds spirit her off to begin yet another new life in another town, she's stunned when a man confronts her and calls her by her real name. Jonathan Bovaro, the mafioso sent to hunt her down, knows her, the real her, and it's a dangerous thrill that Melody can't resist. He's insistent that she's just a pawn in the government's war against the Bovaro family. But can she trust her life and her identity to this vicious stranger whose acts of violence are legendary?

Acces PDF The Girl I Used To Know A Heart Wrenching And Heartwarming Story Of Two Strangers And One House

'Heart-warming, poignant and uplifting' Lucy Coleman, author of Snowflakes Over Holly Cove. Two women. Two very different lives. One unexpected friendship. Amanda King and Tess Cuffe are strangers who share the same Georgian house, but their lives couldn't be more different. Amanda seems to have the perfect life. But the reality is a soulless home, an unfaithful husband and a very lonely heart. While Tess has spent a lifetime hiding and shutting her heart to love. But if they can open up to one another, these two women may just learn that sometimes letting go is the first step to moving forward and new friendships can come from the most unlikely situations. Perfect for fans of Lucy Diamond, Marian Keyes, Rowan Coleman and Veronica Henry. Praise for The Girl I Used to Know: 'A beautiful love story – full of a warmth and redemption' Kate Kerrigan. 'I absolutely loved this perfect autumn-y read – Faith Hogan really is a name to watch out for' Claudia Carroll. 'The Girl I Used to Know is an engaging and emotive story of unlikely friendships and second chances' Carmel Harrington, Sunday Times Bestseller. 'The Girl I Used To Know is the perfect Christmas gift!' Ballina Community Radio.

In this gripping tell it all MaHogany shares her experiences with drugs, alcohol, insecurity and failed relationships and how she ultimately changed her life to experience true love, joy, and deliverance.
