A modern healer draws on Aztec folk medicine  
to offer a new perspective on women's health.  
Avila presents a global vision of how the  
gifts of indigenous health care, married with  
contemporary technology, can create a  
medicine of the future. Foreword by Clarissa  
Pinkola Estes, Ph.D.

Secret story of the women heroes who were exposed to radium in factories across the U.S. in the early 20th century, and their brave and groundbreaking battle to strengthen workers' rights, even as the fatal poison claimed their own lives... In the dark years of the First World War, radium makes gleaming headlines across the nation as the fresh face of beauty, and wonder drug of the medical community. From body lotion to tonic water, the popular new element shines bright. Meanwhile, hundreds of girls toil amidst the glowing dust of the radium-dial factories. The glittering chemical covers their bodies

Secrets Of Physical And Spiritual Health  
from head to toe; they light up the night like industrious fireflies. With such a coveted job, these "shining girls" are the luckiest alive – until they begin to fall mysteriously ill. And, until they begin to come forward. As the women start to speak out on the corruption, the factories that once offered golden opportunities ignore all claims of the gruesome side effects. And as the fatal poison of the radium takes hold, the brave shining girls find themselves embroiled in one of the biggest scandals of America's early 20th century, and in a groundbreaking battle for workers' rights

## Access Free Woman Who Glows In The Dark A Curandera Reveals Traditional Aztec

that will echo for centuries to come. A timely story of corporate greed and the brave figures that stood up to fight for their lives, these women and their voices will shine for years to come. Written with a sparkling voice and breakneck pace, *The Radium Girls* fully illuminates the inspiring young women exposed to the "wonder" substance of radium, and their awe-inspiring strength in the face of almost impossible circumstances. Their courage and tenacity led to life-changing regulations, research into nuclear bombing, and ultimately saved hundreds of thousands of lives...

## Access Free Woman Who Glows In The Dark A Curandera Reveals Traditional Aztec Secrets Of Physical And Spiritual Health

The stories of ten women healers form the core of this provocative journey into cultural healing methods utilized by women. In a truly grass-roots project, the authors take the reader along to listen to the voices of Native American medicine women, Southwest Hispanic curanderas, and women physicians as they describe their healing paths. This book will fascinate anyone interested in the relationship between illness and healing—medical practitioners and historians,

Access Free Woman Who Glows In The Dark A Curandera Reveals Traditional Aztec patients, anthropologists, feminists, health psychologists, psychiatrists, theologians, sociologists, folklorists, and others who seek understanding about our relationship to the forces of both illness and healing.

"Do you want to know?" the spirit asked twenty-three-year-old Eleanor Barrón Druckrey in 1967. At the time, the young woman was not quite ready. Ten years later and still stalked by spirits day and night, Barrón Druckrey accepted the invitation to embark on a journey of discovery through her dreams. She began to understand a pattern of

# Access Free Woman Who Glows In The Dark A Curandera Reveals Traditional Aztec

brilliance and beauty related to the ancient past when magic, wonder, and awe reigned throughout the native cultures in the Americas. Drawn from more than thirty years of recorded dreams, *Corn Woman Sings* brings Native American traditions to life.

Interwoven with Barrón Druckrey's personal stories and discussions on the legends of the great dreamers, *Corn Woman's* legacy lays a path of transformation and renewal for the modern-day curandera, medicine woman and mystic, in all walks of life. *Corn Woman Sings* shows you how to start building a dream map that will lead you to personal

transformation. It illustrates the process of opening up to your inner self and starting the process of uniting mind, body, and spirit. Only time will tell what you might witness in your dreams.

Curanderas—traditional healers in Mexican culture—bridge the gaps between multiple planes of existence—spiritual and material, modern and pre-modern—dispensing medicinal herbs, prayers, and instruction. Elizabeth de la Portilla writes of the world and practices of San Antonio curanderas. As a scholar, an ethnographer, and a curandera in training,

## Access Free Woman Who Glows In The Dark A Curandera Reveals Traditional Aztec

her parallel perspectives uniquely aid readers in understanding this subordinated culture. Retelling the stories various healers have shared, interpreting their answers to her probing questions, and describing the herbs and recipes they use in their arts, the author vividly illuminates the borderland context of San Antonio. Scholars and readers of anthropology, sociology, Chicana and Chicano studies, and women's studies will savor the many layers of meaning and application in *They All Want Magic*.

Secrets Of Physical And Spiritual Health

First published in 1973, this is an essential work on the corruption of the medical establishment and its historic roots in witch hunts. In this new edition, Barbara Ehrenreich and Deirdre English have written an entirely new chapter that delves into the current fascination with and controversies about witches, exposing fears and fantasies. They build on their classic exposé of the demonisation of women healers and the political and economic monopolisation of medicine, bringing it up to date with today's changing attitudes to these issues.

## Access Free Woman Who Glows In The Dark A Curandera Reveals Traditional Aztec

Eliseo Torres, known as "Cheo," grew up in the Corpus Christi area of Texas and knew, firsthand, the Mexican folk healing practiced in his home and neighborhood. Later in life, he wanted to know more about the plants and rituals of curanderismo. Torres's story begins with his experiences in the Mexican town of Espinazo, the home of the great curandero El Niño Fidencio (1899-1939), where Torres underwent life-changing spiritual experiences. He introduces us to some of the major figures in the tradition, discusses some of the pitfalls of teaching curanderismo, and concludes with an account

## Access Free Woman Who Glows In The Dark A Curandera Reveals Traditional Aztec

of a class he taught in which curanderos from Cuernavaca, Mexico, shared their knowledge with students. Part personal pilgrimage, part compendium of medical knowledge, this moving book reveals curanderismo as both a contemplative and a medical practice that can offer new approaches to ancient problems. From Curandero ". . . for centuries, rattlesnakes were eaten to prevent any number of conditions and illnesses, including arthritis and rheumatism. In Mexico and in other Latin American countries, rattlesnake meat is actually sold in capsule form to treat impotence and even to treat cancer.

## Access Free Woman Who Glows In The Dark A Curandera Reveals Traditional Aztec

Rattlesnake meat is also dried and ground and sprinkled into open wounds and body sores to heal them, and a rattlesnake ointment is made that is applied to aches and pains as well."
