I say this because I believe the U.S. Constitution is seriously flawed in one major regard: the selection, limitations, and control of Supreme Court justices. In Italy, the Constitutional Court has 15 judges, one-third nominated by the President, a third by the Parliament, and one-third by administrative supreme courts.

Constitutional law - Constitutional law - Judicial review in the United States: Because judicial review in the United States has been a model for other countries, it is appropriate to devote some discussion to it and to the body of constitutional law it has produced. Despite its overwhelming importance, judicial review is not explicitly mentioned in the U.S. Constitution; indeed, it is itself ...

**Constitutional law - Judicial review in the United States ...**  
It was recently observed that there is "a more general trend that whenever constitutional courts have been established in post-authoritarian countries, a pattern of conflict between these courts on the one hand and the supreme courts (plus other ordinary courts) on the other, has emerged." 52 This may be true, but it should not be forgotten that the usefulness of the comparative perspective, here, remains limited due to the fact that almost all the constitutional courts in Europe have ...
