Pressure Washer Power
Pressure washers come

Access Free G Force Pressure Cleaner Manual

in light-, medium-, heavy- and even commercial-duty versions to meet your needs, with pounds per square inch (PSI) and gallons per minute (GPM) determining cleaning power. PSI ratings range from 1300 PSI to 2800 PSI (and higher) for high-pressure power washers.

Make no mistake about it: the Clean Force 1400 Pressure Washer is bare bones, entry-level stuff. With a psi of 1,400, this pressure washer is about the lowest power washer on the market. But at least the price is commensurate with the power level, and the machine does have a few good points.
