The purpose of Genesis Metro Church is to show people the love of God, help them connect to Him personally, and join God in His purposes. Once one meets God and experiences the love of Jesus, it's our job to help them develop and strengthen their relationship with Him. That process is called discipleship.

Amazon.com: Customer reviews: Genes, Genesis, and God ...

The book argues that genetic processes are not blind, selfish, and contingent, and that nature is therefore not value-free. The author examines the emergence of complex biodiversity through evolutionary history. Especially remarkable in this narrative is the genesis of human beings with their capacities for science, ethics, and religion. A major conceptual task of the book is to relate cultural genesis to natural genesis.

Holmes Rolston, III, Genes, Genesis, and God: Values and ...

The starting point of the second book, Genes, Genesis and God: Values and their Origins in Natural and Human History Genes, and its conclusion some 370 pages later, is that the emergence of order (termed "information" in this book) and of values during biological and cultural evolution is firm evidence for the existence of a Presence (God). In effect, Rolston is presenting an elaborate reworking of Anselm's proof of the existence of God in Darwinian terms: the fact of religious belief.
