Getting Saved From the Sixties. A brilliant book by the sociologist Steven Tipton. He studies how youth who came of age in the sixties dealt with a perceived loss of coherence in the moral order. His specific focus is youth who joined new religious movements in order to resolve contradictions and dilemmas in their world views. The three case studies, all based in the San Francisco area, are a Zen center, est, and a millennialist Christian sect. Tipton draws on a model developed by ...

In the 1960s social abundance and personal affluence were the prerequisites for, and contributing causes of, the campus-based radicalism. That radicalism sought a revolution in "consciousness," sometimes with chemical assistance. Which is not to say that the radicalism of the left was otherwise sterile.

The Sixties - CNN

The late 1960s to mid-70s were a manic depressive time period in music, populated by exultant highs and soul crushing lows. The highs came in the form of disco and bubblegum pop via ABBA, The Bee Gees and their ilk. The lows came in the form of devastating testaments to inner sadness and existential rage. Perhaps it was Vietnam, recreational heroin use, and an economy that was in the crapper ...
