## **Handbook of Language & Ethnic Identity by Joshua A. Fishman**

Themes on identity include: race, gender, class, sexual orientation, and disability. Further, the award-winning Journal of Language, Identity, and Education, launched in 2002, ensures that issues of identity and language learning will remain at the forefront of research on language education, applied linguistics, and SLA in the future. Issues of identity are seen to be relevant not only to language learners, but to language teachers, teacher educators, and researchers.
