Inkscape version: 0.91 A beginner level tutorials to creating guides in Inkscape.

Inkscape Basics: Creating and managing guides

How to Create Center Guides in Inkscape. In this Inkscape Help Article, I'll show you how to easily create center guides in Inkscape to help you easily align objects to the center of your composition. This is a feature I use a lot in other programs like GIMP to help speed up my workflow, though GIMP, in particular, comes standard with a feature that allows you to create center guides via a menu (View>Guides>New Guides by Percent).

How to Create Center Guides in Inkscape | Davies Media Design

Inkscape shows a window for each opened document. Each window contains the toolbars and a

white, empty area. In this manual, we use the Wide view which puts the first toolbar on the right. You can get this view with the menu by selecting View ▶ Wide.

The User Interface — Inkscape Beginners' Guide 1.0 ...

June 6, 2017, 5:34 p.m. A small team of translators and other editors is excited to announce that work has started on an Inkscape guide, which is written specifically for beginners. The focus is on "how" rather than "why", and is meant to gently guide new Inkscape users through all the most basic features.
