### **Overcoming Law by Richard A. Posner - Goodreads**

Other disciplines - history, biology, sociology - may have much to say about these matters, and *Overcoming Law* is an extended plea for more (and higher-quality) interdisciplinary analyses of legal issues so as to get a better handle on that which counts - empirical consequences of alternative legal rules.

### **Overcoming Law. - Free Online Library**

*Overcoming Law* is unified by Posner's repeated call for scientific and empirical analysis as the solution for intractable legal problems. Posner calls for law to become "more empirical and less conceptual." His major goal "is to nudge the judicial game a little closer to the science game" (p. 8).
