Power Politics: The Reincarnation of Rumpelstiltskin ...

South End Press, 2nd edition 2002, ISBN 0 8960 8668 2. Few writers can take two seemingly different subjects like river dams and the war on terrorism and turn them into a coherent, informed, impassioned indictment of the nation state, elitist greed and militarised globalisation. Arundhati Roy can, and does. India is a country where 70% of the population has no electricity and where more than the total population of Canada might be displaced and made homeless from their villages and farms by ...

Secondly, I thought Roy presented some pretty startling statistics in Power Politics, so I did a little fact checking. While some of her statistics definitely check out, others do not. Some of those numbers she throws out without citing any source at all and in one instance she attributes something to a source that is no where in that source!

Amazon.com: Customer reviews: Power Politics

Power Politics by Arundhati Roy South End Press, 2001. p7... in the midst of putative peace, you could, like me, be unfortunate enough to stumble on a silent war. The trouble is that once you see it, you can't unsee it. And once you've seen it, keeping quiet, saying nothing, becomes as political an act as speaking out. There's no innocence.

Power Politics by Arundhati Roy - THIRD WORLD TRAVELER

Power Politics by Arundhati Roy. Power Politics is an essay that argues specifically against the privatization and corporatization of essential infrastructure. In this eloquent work, which proved her powerful commitment to social justice, she talks about her perspective on issues like globalization of the world economy, the privatization of India's power supply by US- based energy companies, and the construction of monumental dams that will dislocate hundreds of thousands of people.
