<P>Tourism is no longer an innocent pleasure. It has been interpreted and reinterpreted as an activity which is ultimately damaging to receiving cultures and the environment. "New" forms of tourism, such as ecotourism, alternative tourism, community tourism and ethical tourism, have been presented as morally superior alternatives to the package holiday, yet ironically, even advocates of ...

The Moralisation of Tourism: Sun, Sand... And Saving The ...

"The Moralisation of Tourism critiques a number of assumptions that are rarely challenged - that the package tourism boom has been destructive and that nature-based tourism is somehow 'ethical'. It argues that eco-friendly and culturally concerned tourism is based on the false premises of environmental and cultural fragility, and of a surfeit of individual freedom for tourists.

The moralisation of tourism : sun, sand ... and saving the ...

Popular reaction against the uncomfortable aspects of modern mass tourism has led to the emergence of new forms of cross-cultural travel. One important form is traveling, in which self-described "travelers" aim to dissociate themselves from tourism altogether. As travelers, rather than tourists, these people present themselves as engaged in a morally superior alternative that

Jim Butcher. 3.67 · Rating details · 3 ratings · 1 review. "The Moralisation of Tourism puts today's critique of tourism in historical context, and outlines a distinctly moral conception of modern tourism, identifying a New Moral Tourist', by drawing on a range of contemporary examples. It is a wide-ranging critique, looking at both the effect the New Moral Tourism has on the holidaymaker, and the effect it has on the host societ.
