books are available for Amazon Kindle.

The Network Reshapes the Library: Lorcan Dempsey on ...

Collective collections: Rightscaling and collaborative action ... The best example of an activity that can be done most appropriately in a networked context is curation. Here I would argue that a library's collection is not owned solely by the library, but by the society or culture that has collected it and put it in the library in the first place.

The network reshapes the research library collection

The Network Reshapes the Library is an interesting experiment in library literature, containing some excellent insights into librarianship in the 21st century. Lorcan Dempsey is often quoted and referred to throughout the sector for the level of thought he puts toward how contemporary libraries operate and who they serve.

The Philippines' broadcast and entertainment industry spent the weekend counting the costs of Friday's vote not to renew ABS-CBN's broadcast – and the picture, while full of prayers and promises of fighting on, looks grim. While the message out of ABS-CBN involves "other ways to achieve our mission", thousands of jobs are expected to be cut as the 65-year-old broadcaster reshapes ...

ABS-CBN vows to fight on, slim chance of return to air ...
The Shoemaker's Holiday or the Gentle Craft is an Elizabethan play written by Thomas Dekker.The play was first performed in 1599 by the Admiral's Men, and it falls into the subgenre of city comedy.The story features three subplots: an inter-class romance between a citizen of London and an aristocrat, the ascension of shoemaker Simon Eyre to Lord Mayor of London, and a romance between a ...
